# Spread Light (SOL+)

WHITE PAPER

*A Philanthropic Cryptocurrency.*

## INTRODUCTION

### Blockchain Is More Than Technology—It's A Tool For Global Change.

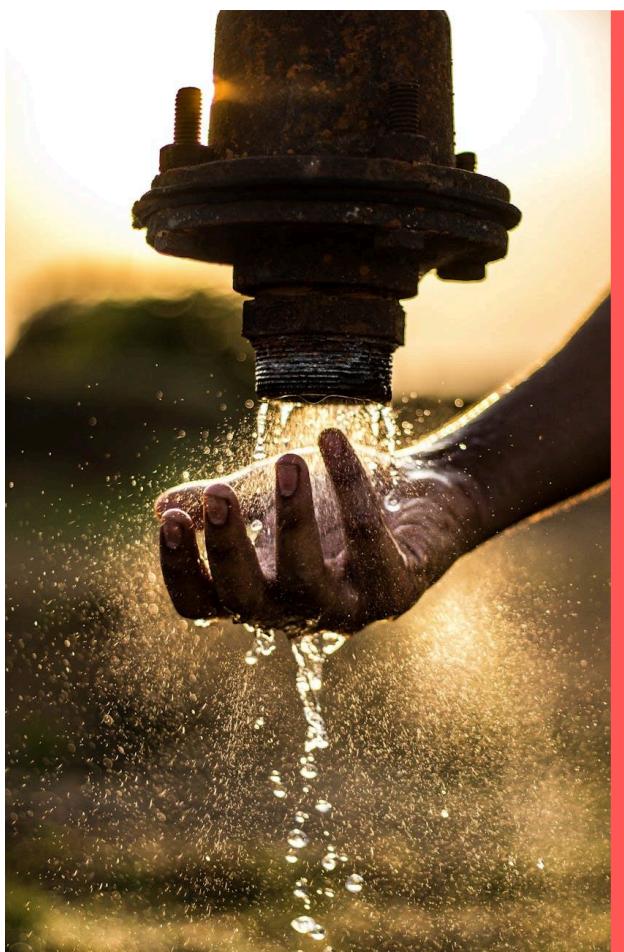

Spread Light (SOL+) is a purpose-driven cryptocurrency built to fund impactful charities automatically through blockchain innovation and philanthropic action. Our token empowers holders to drive real-world change, support vetted nonprofits, and become a force for good—simply by participating in a trusted and transparent ecosystem.

# VISION & MISSION

## Our Vision

To become the World's most trusted and impactful philanthropic cryptocurrency

## Our Mission

- Empowering communities and causes worldwide through trustless, transparent, and equitable giving
- Make charitable giving effortless and automatic
- Provide real-world transparency in every donation
- Build a values-aligned community of givers and holders
- Partner with credible causes that serve people, animals, and the planet

## TOKENOMICS

Token Name	Ticker	Total Supply
Spread Light	SOL+	27,000,000,000 SOL+

1% Transfer Fee	Network
Operations	Binance Smart Chain (BEP-20)

## Deflationary Model Via Burn On Transaction Fees

### 7% Transaction Fee (Buy & Sell)

Fee Type	Allocation	Description
Charity Wallet	4%	Funds sent directly to our transparent charity wallet to support global causes
Liquidity Pool	1%	Auto-injected to DEX pools to stabilize trading and reduce volatility
Operations Fund	1%	Fuels influencer outreach, listing campaigns, and community events
Burn or Buyback	1%	Tokens are bought back or burned, creating scarcity and long-term value

## Token Distribution

**Spread Light (SOL+)** is designed to be transparent and fair. At launch, only a portion of tokens are in circulation, with the rest allocated to support our mission, growth, and community.

## CHARITY MODEL

Every transaction helps change a life. Spread Light dedicates 4% of every transaction to a fully transparent Charity Wallet. These funds are distributed to high-impact organizations for real world impact.

### How It Works

#### Real-time Donations

Donations are made to a public wallet in real-time.

#### Community Involvement

Top holders and connected members are chosen to join exclusive impact-driven real world initiatives.

#### Donations Published

Donations are published with proof and receipts.

#### Milestone Donation Events

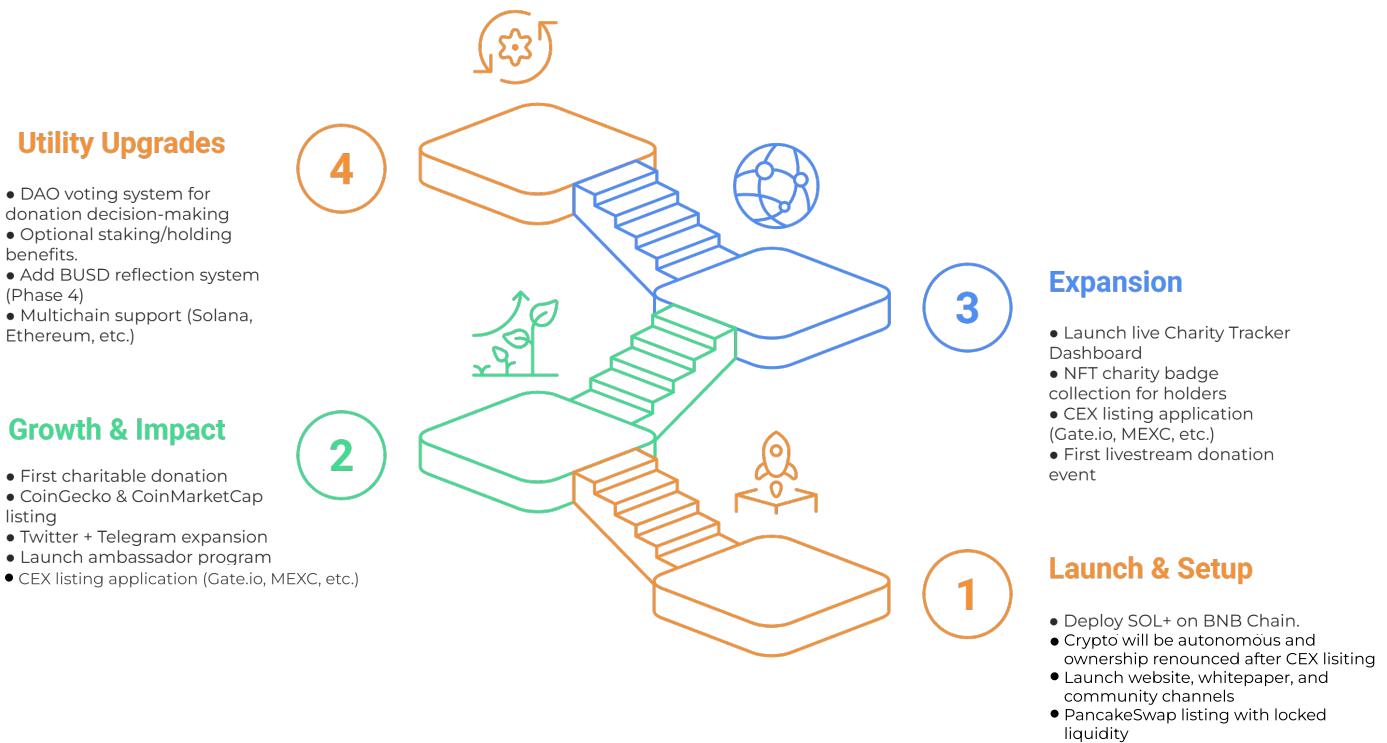

Special donation events are held at milestones.

### Types Of Causes We Support

- Clean water access
- Public health
- Education initiatives
- Construction and reconstruction
- Animal rescue & habitat preservation
- Environmental Conservation
- Emergency disaster relief
- More

# ROADMAP

## COMMUNITY INVOLVEMENT: POWERED BY PEOPLE, GUIDED BY PURPOSE

At Spread Light, we believe the most powerful force in crypto isn't code—it's community. That's why we're building a purpose-driven ecosystem where every voice matters, and every holder becomes a catalyst for real-world impact.

This isn't just another token.

It's a global movement to redistribute wealth with wisdom, and direct resources where they matter most—from clean water and education to emergency relief and climate action. And it only works if you're part of it

## **FUTURE UTILITY: REFLECTIONS**

**SOL+ will introduce monthly reflections of TBD token in future rewards system.**

### **Coming in Phase 4**

**Rewards distributed based on wallet size, which helps encourage loyalty and reduces sell pressure**

## **TEAM & PARTNERSHIPS**

**A diverse founding team of Web3 builders, nonprofit advisors, and transparency advocates. We aim to partner with:**

- **Charities & foundations**
- **Crypto influencers & educators**
- **CEX/DEX listing platforms**
- **Impact-driven Web3 communities**

**If you have interest in a partnership, please reach out directly through our Partners Page on the website.**

## — **LEGAL DISCLAIMER**

Spread Light (SOL+) is a community-driven utility token designed to support nonprofit causes. It does not represent equity, a security, or any investment vehicle. Participation is voluntary and subject to market risks. Always do your own research and comply with local laws before engaging in cryptocurrency transactions.
